

50  
ANNIVERSARY

**LAZY  RANCH**  
**50th ANNUAL BULL POWER SALE 2019**

SATURDAY, JANUARY 26, 2019

*We like good cattle and we know you do to!*

# LAZY RANCH

*Welcome...*

On behalf of everyone at Lazy S we invite you to join us Saturday January 26 2019 at Noon, to celebrate 50 years of raising Simmentals.

We are a family based operation that make our living from our ranch/cowherd, having spent 50yrs of selecting females that are sound, easy fleshing, deep bodied with good udders/feet and good dispositions. They are all Polled, solid coloured or blaze face from several generations.

Our cowherd/herdsires rank in top of the breed for CE MCE, carcass & performance and maternal traits. Calving season starts Feb 1 and runs through March. After calving cows are fed only free choice hay for a month then gradually put on some silage. We have strong herd health protocol in place with a closed herd. The only outside cattle introduced are a few new herd sires from reputation ranches.

Vaccination protocols for the cowherd and herdbulls include Annual Express FP 5, Covexin Plus, Scourgaud 4kc, (cows & heifers). Ivomec.

Calves are weighed at birth, tagged by 8 -12 hrs old, given nasal vaccine Once PMH, preventative for bacterial pneumonia, Toltrazuril (preventative for Cocci) and selenium. In the spring and fall they receive Express 5 /Vision 8/somnus/ Presponse HM as well as a respiratory booster in January.

We feed our own bulls, background and finish our own steers & heifers not kept for breeding stock. We collect the carcass data on the finished cattle, as this is a valuable information in the selection process.

We continue to invest in the best herd bulls the industry has to offer, and collect semen on our own top home raised sires. Check out the herd sires pictures/Videos on our website [www.lazysranch.ca](http://www.lazysranch.ca)

Sale bulls will be videoed and posted on our website mid January. If you do not have a good internet connection, contact us for a dvd.

We offer a Free Wintering program on the Sale Bulls. Take advantage of our interest free payment plan 1/2 down sale day - post dated cheque for balance dated April 1 2019.

**Donna Wakenhut**  
1946 - 2018

Donna was our ring side clerk for all of our cattle sales, she started working our sales when she moved back home from 100 Mile, B.C. We will miss you Donna!

## **NEW... LAZY S RANCH BULL PROTECTION PROGRAM**

# NEW BULL POWER 2018 WILL BE A 100% VIDEO SALE!!

We decided to go with a Video sale for many reasons

- Easier on the bulls
- More controlled temp in barn without doors open moving bulls in and out
- Less help required to run a video sale
- Bulls will be penned same as previous years on west side of sale barn for easy viewing!
- We do all our own pictures and Video for the sale. We do not hire a professional photographer to picture and video the bulls
- We encourage everyone to view the Video ahead of the sale - [www.lazysranch.ca](http://www.lazysranch.ca), check out the web site while you are there, it has a ton of info about the ranch and Genetics on offer. If you don't have a good internet connection please call for a DVD 780 785 3136 Mark & Joanne Shologan will produce the Video

## Bid Online

This year we are joining forces with both DMLS and TEAM Auctions. If you cannot make it to the sale, we welcome DLMS and TEAM - online bidding providers onsite sale day that will run in conjunction with the live sale!

REGISTER TO BID ONLINE with [www.dlms.ca](http://www.dlms.ca)

go to [www.lazysranch.ca](http://www.lazysranch.ca)

to view the sale bull videos available in January!  
 Videos of Lazy S Herd Sires are also now available.

### BREED AVERAGE EPD'S

SIMMENTAL	CE	BWT	WWT	YWT	MILK	MCE	MTL
	6.3	3.7	67.5	97.7	24.4	7.3	58.1
ANGUS	BW	WW	YW	MILK	TM	CE	MCE
	2.3	45	78	21	43	3.0	7.0
RED ANGUS	BW	WW	YW	MILK	TM	CE	MCE
	1.2	35	58	19	36	2.4	5.6

## General Information

**CALVING EASE** We evaluate each prospective herd bull for calving ease, determined by bone size, birth weight, calving ease, EPDs, profile and pedigree.

- ★★★ Recommended for use on moderate-framed, first-calf heifers
- ★★ Recommended for use on large-framed, first-calf heifers
- ★ Recommended for use on cows

**VOLUME BUYER** RECEIVES a \$500.00 discount on the total of his/her purchases. Top 3 volume buyers will receive a vest from Zoetis.

**BUYERS DRAWS** Numerous items donated by CClA, Alberta Beef Magazine and Beef Illustrated.

**INSURANCE** Available Sale Day - Larry Toner Agencies - Stockmans 306 932 4866 - 306 834 7652. Buyers not taking long term insurance we recommend our **In House Bull Protection** at 3.5% from sale date until delivery

**FREE DELIVERY** to central points in Western Canada on bulls selling for \$3,800+ providing you don't need your bull prior to our spring delivery schedule, otherwise cost shared. Bulls selling for up to \$3,800 will be cost shared.

Bulls will be delivered free of charge to central points in B.C., Alberta, Saskatchewan, and as far east as Brandon, Manitoba. B.C. delivery points include Kamloops, Williams Lake, Vanderhoof, Prince George and Dawson Creek. For bulls sold to Eastern Canada for \$3,800+, Lazy S covers the freight to Brandon, MB, and the purchaser is responsible for the balance. We will coordinate trucking arrangements. Bulls headed to the United States will be delivered to the border.

**SIGHT UNSEEN** We hope you can attend the sale, but also understand that everyone has a busy schedule this time of year. If you are unable to attend or to bid online, then the sight unseen purchase program may work for you. We have developed this program to assist with your sale selections and purchases. You tell us what type of bull(s) you are looking for, and Greg or Donna will assist you in selecting the best bull(s) for your needs that will meet your expectations and budget.

Call Greg 780 786 4150 (home) or 780 674 1652 (cell) or Donna 780 786 2967 (home, evening) or 780 674 1048 (cell) prior to Jan. 25.

**24 HOUR EMERGENCY SERVICE**

# Sale Terms & Conditions

## **BULL TERMS:**

Half down sale day with posted dated cheque for the balance dated April 1/2019, unless previous arrangements have been made. Bulls picked up sale day or ahead of regular delivery schedule must be paid in full before leaving Lazy S. As soon as the animal is sold it becomes the responsibility of the purchaser. We recommend insuring your bulls. Buyers who are not in attendance sale day will be invoiced.

## **FERTILITY:**

All bulls will have a complete exam and semen test done prior to delivery by Dr. Rick Katchiuk of Alberta Vet Center.

## **PROFESSIONAL BULL DEVELOPMENT:**

We will keep all bulls free of charge from sale time until delivery and look after them after the sale, bulls will stay on a bull growing ration.

## **BULLS:**

Absolutely 100% Guaranteed – We guarantee to provide you with a sound breeding bull, capable of passing a semen test, within 14 months of age. Should any Lazy S Bull fail to be a satisfactory breeder, he will be replaced with a bull of equal quality or a credit given towards the purchase of another Lazy S bull, no refunds. We always carry a good supply of backup bulls. We do not warranty injury or mismanagement or guarantee bulls to freeze semen. If you have a problem with your bull please notify us immediately, we are here to help if a problem arises.

## **HEALTH:**

At birth calves are weighed and tagged and given Once PMH nasal vaccine for Bacterial pneumonia, selenium, Toltrazil preventative for cocci. Spring & Fall - calves have been vaccinated with Express 5, (BRSV, IBR, BVD 2 types, PI 3) Vision 8 somnus spur, Presponse HM, treated with Ivomec PO and Safe guard Oral. In January Bulls are boosted again with PYR 5. All bulls are virgin bulls.

## **IDENTIFICATION:**

All bulls carry a CCIA tag and a dangle tag in their left ear with a lot # corresponding with the catalog, as well as tattoo in the right ear.

## **SALE ORDER/SUPPLEMENT SHEETS:**

Hand outs will be available sale day, also posted on our website [www.lazysranch.ca](http://www.lazysranch.ca).

## **SEMEN:**

Lazy S reserves the right to collect semen on any of the sale bulls for in herd use, at buyers convenience and our expense. Lazy S retains a 1/3 semen interest on all of the sale bulls, should the new owner choose to market semen.

## **ANNOUNCEMENTS:**

Errors in the catalogue will be corrected by the announcements from the block at sale time and such corrections will take precedence over printed matter in the catalogue.

## **DISPUTES:**

In the case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from who the auctioneer accepted the last bid. The auctioneer's decision is such matters will be final.

## **BUYER REGISTRATION:**

Buyers please register for a buyer number prior to purchasing.

## **ACCIDENTS:**

Although every precaution will be taken to protect the safety and comfort of the buyer, neither the sale staff nor the owners assume any responsibility in this matter and disclaims any liability, legal or otherwise, in the event of an accident or loss of property.

## **NAME CHANGES:**

In the event of a name change on a bull, Lazy S must stay as the prefix.

## **CERTIFICATE OF REGISTRY:**

A certificate of registry duly transferred will be furnished to the buyer by the breeder from each registered animal after complete and full payment has been made. Please note Bulls, bulls with no papers will be marked as such plus beefmakers do not have registration papers.

## *Bull Development*

To valued customers and potential buyers:

The proper care, feeding and management of a young sire ensures that you will be satisfied with the return on investment of purchasing a Lazy S bull. These animals have been on a solid nutrition program provided by Shur-gain Feeds. These yearling bulls will advance the results in your herd including increased weaning weights, carcass quality, and high quality replacement females. By managing yearling bulls properly your investment will return dividends for many years.

The nutrition program at Lazy S includes the following:

- At weaning time, the bulls are started on custom bull-growing ration that has been designed for the development of their frames and muscles without fattening them.
- There is no advantage for targeting high rates of gain in growing bulls by feeding large amounts of grain, therefore barley is not fed.
- Fertility of the herd bull is more important than its growth performance. In addition to protein and energy, rations contain an adequate trace mineral package that includes chelated zinc, copper, manganese and organic selenium to enhance reproductive performance.
- The cow herd also receives this mineral in the breeding season to enhance their reproduction.

Together with many other factors, the nutrition program is a key factor that influences the 'proper condition and weight' of the bulls, and thus their fertility. Shur-gain is proud to partner with Lazy S to provide high quality, consistent feed and expertise to the animals in this sale.

Moon Walk was the 2nd high selling bull next to Bootlegger at the TNT Simmental sale. He calves like a dream; could have used him in the heifer pen - his calves are that moderate. He is thick made with excellent performance. He was a top performer for weaning at TNT, 871 weaning, 4.00lbs per day. His dam is a easy keeping, perfect uddered productive cow. Her dam is a daughter of the maternal great Mr Beef. Ranks top of breed for marbling. **#1 For MARBLING**

Griz is in the top 1% for birth weight, Calving ease and Maternal calving ease. His calves are low birth weight with tremendous growth. His daughters are excellent mothers, deep ribbed, long bodied with nice udders and have excellent teat size.

REFERENCE SIRE

# Introducing....

The Lazy S Red Simmental Bulls in this offering are multi-generational red and polled... solid colored or blaze face, sired by breed leaders that rank at the top of the breed for calving ease, birth weight, performance, maternal calving ease, marbling, REA and yield grade.

At Lazy S the majority of the herdsire bloodlines are exclusive to Lazy S Ranch and cannot be found elsewhere.

Lazy S Red Simmental bulls are fast becoming very popular among commercial cattlemen seeking an alternative to other breeds of cattle to strengthen performance, marbling, REA, yield grade and maternal power. Lazy S-sired red Simmental genetics will give you that extra punch and increase your gains on grass and in the feedlot.

# Introducing....

At Lazy S, our Black Simmentals are multi-generational black and polled... solid with a select few blaze face. Birth weights are moderate, calves are born easy and are vigorous at birth. Herdsires are selected for superior performance and maternal traits, fleshing ability, soundness of feet and legs with solid carcass performance. Buyers looking for good black-hided calves that excel on grass and in the feedlot, that marble and yield... Black Simmentals are proven to do just that. They also work extremely well in a crossbreeding program with British-based cows, such as Angus or Hereford – daughters will have retained heterosis and added productivity.

The Lazy S Black Simmental Bulls in this offering are a tremendous set of bulls, they have great hair coats, they are strong topped with lots of rib and hip, and offer outcross genetics only found at Lazy S. There are a few two- and three-star heifer bulls, you will love the way they calve.

69

# Introducing....

Lazy S SimAngus Beefmakers.. CROSSBREEDING MADE SIMPLE! Now more than ever, cattlemen should consider the strengths of utilizing a SimAngus bull(s) in your breeding program. Our SimAngus have demonstrated time after time their ability to add growth, extra muscle and exceptional performance, while maintaining the moderate size, maternal strength, calving ease, and superior marbling and yield grades. Crossing the best of our Red and Black Simmental with Red and Black Angus enhances maternal performance and carcass traits. Notably the largest benefit will be the superb set of look-a-like females you will be creating using this blend of genetics that offer improved reproductive efficiency obtained through heterosis (hybrid vigor) with breed complementarity.

We have created groups of bred alike half and three-quarter brothers in varying percentages, allowing our customers an excellent selection to best fit their management and marketing needs. From straight F1's to high-percentage Angus, or high percentage Simmental-influenced bulls, we have a nice selection for you to choose from... all packaged in a look-alike polled breed group.

# Introducing....

At Lazy S, our Angus genetics are selected for calving ease, performance, maternal traits and soundness of feet and legs, with an abundance of muscle, hip and top along with exceptional carcass merit that marbles and yields well. If you're needing heifer bulls, many of the sale bulls have generations of built-in calving ease top and bottom, and rank in the top 10% of the breed for BWT and CE.

We have successfully calved the sires and maternal sires in our own heifer pen, so rest assured they will calve for you.

BLACK ANGUS

# ALL IN THE FAMILY

Stewart Ainsworth worked at Prairie Breeders Bull Stud after graduating from Vermillion College Animal Reproduction. It was there he helped collect Parisian, the very first imported Simmental bull in North America, in the spring of 1967. Doreen owned Hereford cows when they first met and those cows were Al'd to Parisian, resulting in some of the first half bloods in North America. They sold half-blood heifer calves the following year and received more for them than an entire liner load of calves.

Stewart and Doreen were married in September, 1967 and after living in Lacombe, AB, started the Hanna AI unit. Most summers were spent AI cows at Bull Pound community pastures for surrounding area ranchers. In 1971 they imported their first full-blood female AR Loni 99C - 735 from Switzerland. "We purchased our own land first at Byemoor, AB, where we both grew up, then a larger farm at Endiang, AB, in 1974. This enables us to raise more cattle utilizing AI. We felt Simmental suited us best and liked the growth and milk of this new breed. In 1973 and 1974 we purchased Simmental females from the U.S. These were solid red and black Simmental and some of the first solid coloured Simmentals to Canada, as at the time most were traditional coloured cattle.

During this time our family was born; Greg, 1968; Donna, 1970; Grant, 1974. The family were all involved with our farm, each participating for many years in 4-H and showing cattle at Farmfair and Agribition.

In 1977 we moved to the Mayerthorpe, AB area, selling our farm at Endiang. The Mayerthorpe area had the largest cow-calf numbers per squaremile, this being very suitable for a seedstock operation. The area had higher rainfall and thus more cows per acre. In fact, our first year we had over 40 inches of rain, quite a change from dryland Endiang.

Our cowherd has grown from the 80 cows we brought with us to an operation of 1,000 cows today. Each of our family members have their own cattle and land base. Greg and Tracey and Jade Ainsworth raise Red and Black Simmental, Beefmaker and Black Angus. Donna, Larry, Shaylyn and Lindsay Arthur raise Red and Black Simmental, Beefmaker and Red Angus. Grant and Claire, Carson and Jace Ainsworth raise Red and Black Simmental, Beefmaker and Stewart and Doreen have Red and Black Simmental and Beefmaker cows. The families all live within an eight-mile radius of the main ranch which enables us to share equipment for farming operations- ations. We grow mixed grain for silage, sometimes corn, also oats, barley for seed and feed grain.

Red Simmental pair summer 2018.

The grandchildren are getting more involved as well. Greg and Tracey's son Jade, 17, helps with feeding, swathing, processing cattle, fencing, etc., and likes playing in paint ball tournaments and hockey. Donna and Larry's girls Shaylyn, 15, and Lindsay, 13, are the cowgirls helping with moving cattle, working at chute, raking. They also ride in Gymkana and ABRA, and in the winter they dance. Grant and Claire's boys Carson, 8, and Jace, 6, help as much as they can, opening gates to pens for winter bedding, helping at chute pushing cattle through and forking hay up at the bred heifers fenceline feed bunk during calving season. They also play fun hockey and ball. When each of the grandchildren were four years old, Stewart and Doreen gave them each a PB heifer calf. This gave them an animal to raise calves to market and an interest in the farm.

In 1995 we added ER Red Informer to our breeding program, acquiring him at the National Western Stock Show in Denver, Informer went on to become Denver Champion Bull and this gave us some new Red Simmental genetics to draw from.

We keep our front end females for replacements each year and sell the next cut as bred heifers. Our bottom end heifers plus steers are fed to fat and the carcass data is retained and utilized in our genetic selection process. We have been doing this for many decades. Putting those top end females into the herd each year allows us to cull harder on the bottom end, resulting in a hard-working uniform cow herd we are ever so proud to own.

Our cows are easy doing, deep bodied, feminine, sound structured, with a strong emphasis on udders, feet and longevity. We have many cows still producing at age 12 to 14 and still sound as they were as a two-year-old. After weaning cows are run out on pasture/regrowth hayfields and clean up crop land until the snow is too deep to graze. After that they are fed hay/silage on cropland to spread manure, coming home for calving mid-January.

Calving season runs from Feb. 1 to early April. Heifers start mid February. Calves are moderate birth weight, thrifty and aggressive at birth, genetically engineered for rapid growth. We hear time and again from our bull customers how well our bulls calve and increase weaning weights, thus netting more income.

That's why we are here; to make the commercial cowmen money. We continue to invest in the very best herd bulls the industry has to offer. We retain semen on our top home raised sires as well as purchase new outcross genetics to complement our cowherd. The majority of our sires are exclusive to Lazy S and cannot be found elsewhere.

Our direction at Lazy S has always been to raise cattle that are functional and not extreme in any way including calving ease, weaning growth, disposition and soundness.

The Ainsworth family has developed a true family-run operation that believes in customer satisfaction and producing some of the best seedstock in the business.

Our next bull sale is Saturday, Jan. 26, 2019, marking our 50 years in Simmental. We will be offering over 200 bulls, all Polled. We also will be offering buyer benefits including a free wintering program on all the sale bulls. Customers can buy bulls in January and we will look after them until spring then deliver them to central points in western Canada. We also have a payment plan. Our customer base is cross- Canada, mostly in the west, though we do ship some bulls to eastern provinces as well.

The ranch grows its own feed. We crop 1,500 acres and do 1,500 acres of hay. Everything that we grow is for feed. We put up lots of silage most of what we seed goes in the pit. This year hay crops were really short while our grain and silage crops were pretty good. We had lots of carry over feed, however, so we are in good shape.

We do all our own seeding, haying and silage with our own equipment and have been feeding our own steers since 1974. This gives

us a good idea how our genetics are doing in the feedlot. The last group of steers were 100% AAA and Prime.

We have a unique program, the cows look-a-like, as do the bulls. At our sale we have pens of look-a-like bulls. Uniformity and consistency are what we offer.

The Bulls will all be videoed and can be viewed on the website [www.lazysranch.ca](http://www.lazysranch.ca) mid January. The website is full of info on the Ranch as well as herd sires pictures/video, as well as sale updates.

Back Row - Grant, Claire, Larry & Donna, Doreen, Stewart, Tracey, Greg, Front Row - Jade, Shaylyn, Jace, Carson, Lindsay

Octane 388A - Black Simmental herd sire.

New Outcross Simmental herd sire Wheatland Exchange 6139d - Only Red Profit son in Canada.
