**Disposition Scores**

All Sale Bulls have been put through a pressure test. We hold the bulls individually between us in the alley, while we make notes on them. The majority handle this process with ease. The bulls that scored a D2 on this supplement sheet tend to become uncomfortable when worked or sorted individually, however they handle the process fine. Any bulls that can't handle this process are removed from the sale.

**D2 Lots: 19. 26. 27. 47. 72. 134**
