

2021
200 Polled Red & Black Angus & Simmental bulls

Lazy S Ranch
Bull Power

Bull Sale

Saturday, 12p.m. January 30, 2021. At the Ranch, Mayerthorpe, Alberta, Canada

Website: www.lazysranch.ca Email: lazys@xplornet.com

Call: 780-785-3136 or 780-786-4150

Welcome...

On behalf of everyone at Lazy S we invite you to join us at Noon Saturday, January 30, 2021, at the ranch for our 52nd Annual Bull Power Sale.

We are a family based operation that make our living solely from our ranch and cowherd. At the time of writing this in late December, the cows are still out grazing and in great condition, and we have very little snow on the ground. 2020 started Very wet. We had 40 inches of rain from spring to end of July and nothing since. The early rains were great for the grass lands but drowned some of the crops reducing yields substantially, but we had extra forage so our feed supply is good for the winter.

52 Years of top female selection has left us with a tremendous cowherd that we are very proud to own. Females are sound, easy fleshing, deep bodied with good udders, feet and temperament, all polled and solid coloured or blaze face for many generations. Our cowherd ranks top of breed for CE, MCE, Carcass, Performance and Maternal traits. Only the top end replacement heifers go into the herd each year. We don't sell the front end, resulting in a young and highly productive cowherd. Fertility is very important to us too. This past 2020 Calving season 74% of the cows calved out first cycle. Our calving season starts Feb. 1 and runs through to end of March. After Calving, cows are fed only free choice hay for a month then gradually introduced to some silage. We have a strong herd health protocol in place with a closed herd. The only outside cattle introduced are a few herd sires from reputable ranches.

Annual vaccination protocols for the cowherd and herd bulls include: Express FP 5, Covexin Plus, Scourguard 4kc & Ivomec. Calves at birth are weighed and tagged within 8 to 12 hours old, then given: Once PMH (a preventative nasal vaccine for bacterial pneumonia), Toltrazuril (preventative for Cocci) and Selenium. In the spring and Fall they receive Pyramid FP5, Vision 8/Somnus, Presponse HM and a booster of all three. All Breeding stock are on a strong mineral program to aid in their reproductive performance.

We feed our own bulls, background and finish our own steers and heifers not kept for breeding stock. We collect the carcass data on the finished cattle, which is valuable information in our selection process. Cows that come up open along with any we have culled get fed and go to the plant. We do not rebreed them.

We continue to invest in the best herd bulls the industry has to offer. We collect semen on our top home raised sires. Check out our herd sire pages on our website: www.lazysranch.ca. The majority of our sires are exclusive to Lazy S and are not available elsewhere. We offer a large selection of polled look-a-like groups to pick from, genetically engineered to add muscle and rapid growth. No bulls have been sold prior to the sale.

Sale bulls will be videoed and posted on our website around mid January, weather permitting. If you don't have a good internet connection contact us for a USB stick.

The best time to view the sale bulls is anytime after Jan. 21, as the lot tags should be in the bulls by then. If you are in the area please stop in. Catalogs will be at the house in the porch, stop in and grab one. We will not be having the Friday night social this year, thank you for understanding. Please check our webpage: www.lazysranch.ca for updated Covid safety protocols and procedures we will have in place.

Our many thanks to family and friends for their help in making the sale a success. Lunch and refreshments will be provided sale day. Come check out our great line-up of bulls. We look forward to seeing you on Saturday, January 30th, 2021.

BULL POWER 2021 WILL BE A 100% VIDEO SALE!!

We decided to go with a Video sale for many reasons

- Easier on the bulls
- More controlled temp in barn without doors open moving bulls in and out
- Less help required to run a video sale
- Bulls will be penned same as previous years on west side of sale barn for easy viewing!
- We do all our own pictures and Video for the sale. We do not hire a professional photographer to picture and video the bulls
- We encourage everyone to view the Video ahead of the sale - www.lazysranch.ca, check out the website while you are there, it has a ton of info about the ranch and genetics on offer. If you don't have a good internet connection please call for a USB flash drive stick.

This year we are joining forces with DMLS. If you cannot make it to the sale, we welcome DLMS online bidding providers onsite sale day that will run in conjunction with the live sale!

VIDEOS...
go to www.lazysranch.ca

INDIVIDUAL VIDEOS OF EACH LOT WILL BE ONLINE
MID JANUARY WEATHER PERMITTING, WATCH THE
WEBSITE FOR UPDATES!

Can't make it to the sale? Internet Bidding Available.

To view this sale visit www.dlms.ca, Fill out the registration form located under registration and sign-up for your free user account and select a username and password.

BIDDERS - To be approved as a bidder, Log in to dlms.ca and click BUYER APPROVAL tab, select the sale you are interested in bidding at and click sign up.

BULL DEVELOPEMENT

To our valued customers and potential buyers :

The proper care, feeding and management of a young sire ensues that you will be satisfied with the return on investment. Bulls after weaning where running out in big paddocks where they have lots of room to roam, they where brought into their current feed pens which are good sized pens for picturing in December.

In addition to their regular forage diet, the Lazy S Cow Herd is on a balanced mineral program year round. This is the basis for healthy offspring that do the job year after year. Bull health and viability starts with colostrum they receive at birth and continues through life based on solid nutrition and management programs and practices.

Lazy S Bulls are raised on a balanced forage based Total Mixed Ration (TMR). The goal of the TMR is to give buyers a glimpse of the performance potential of the Bull's offspring, but not to maximize performance of the Bulls. Although maximum performance numbers do look impressive on paper, they are not correlated with longevity of the Bulls. We believe in our long term practice of not feeding high amounts of grain to the Bulls - Barley is never fed to our Bulls.

The Lazy S Bull Ration TMR also is fortified with various proteins, digestible fibres, organic trace minerals, yeast and vitamins, all of which aid in developing Bull's with strong bodies, healthy rumens, good immunity as well as increased testicular development and semen quality. Lazy S Bulls are raised to be well muscled, deep bodied and ready to go to work on the range.

Sincerely
Jamie McAllister Ruminant Nutritionist
Country Junction Feeds

The processing crew, Shaylyn, Carson, Rubi, Jace, Lindsay
The kids help process all the calves each spring and fall.

Sale Terms & Conditions

BULL TERMS:

Half down sale day with posted dated cheque for the balance dated April 1, unless previous arrangements have been made. Bulls picked up sale day or ahead of regular delivery schedule must be paid in full before leaving Lazy S. As soon as the animal is sold it becomes the responsibility of the purchaser. We recommend insuring your bulls. Buyers who are not in attendance sale day will be invoiced.

FERTILITY:

All bulls will have a complete exam and semen test done prior to delivery by Dr. Rick Katchiuk of Alberta Vet Center.

PROFESSIONAL BULL DEVELOPMENT:

We will keep all bulls free of charge from sale time until delivery and look after them after the sale, bulls will stay on a bull growing ration.

BULLS:

Absolutely 100% Guaranteed – We guarantee to provide you with a sound breeding bull, capable of passing a semen test, within 14 months of age. Should any Lazy S Bull fail to be a satisfactory breeder, he will be replaced with a bull of equal quality or a credit given towards the purchase of another Lazy S bull, no refunds. We always carry a good supply of backup bulls. We do not warranty injury or mismanagement or guarantee bulls to freeze semen. If you have a problem with your bull please notify us immediately, we are here to help if a problem arises.

HEALTH:

At birth calves are weighed and tagged and given Once PMH nasal vaccine for Bacterial pneumonia, selenium, Toltrazil preventative for cocci. Spring & Fall - calves have been vaccinated with Pyramid 5, (BRV, IBR, BVD 2 types, PI 3) Vision 8 somnus spur, Presponse HM, treated with Ivomec PO and Safe guard Oral. In January Bulls are boosted again with PYR 5. All bulls are virgin bulls.

IDENTIFICATION:

All bulls carry a CCIA tag and a dangle tag in their left ear with a lot # corresponding with the catalog, as well as tattoo in the right ear.

SALE ORDER/SUPPLEMENT SHEETS:

Hand outs will be available sale day, also posted on our website www.lazy-sranch.ca.

SEMEN:

Lazy S reserves the right to collect semen on any of the sale bulls for in herd use, at buyers convenience and our expense. Lazy S retains a 1/3 semen interest on all of the sale bulls, should the new owner choose to market semen.

ANNOUNCEMENTS:

Errors in the catalogue will be corrected by the announcements from the block at sale time and such corrections will take precedence over printed matter in the catalogue.

DISPUTES:

In the case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from who the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

BUYER REGISTRATION:

Buyers please register for a buyer number prior to purchasing.

ACCIDENTS:

Although every precaution will be taken to protect the safety and comfort of the buyer, neither the sale staff nor the owners assume any responsibility in this matter and disclaims any liability, legal or otherwise, in the event of an accident or loss of property.

NAME CHANGES:

In the event of a name change, Lazy S or GTA must stay as the prefix.

CERTIFICATE OF REGISTRY:

A certificate of registry duly transferred will be furnished to the buyer by the breeder from each registered animal after complete and full payment has been made. Please note Bulls, bulls with no papers will be marked as such plus beefmakers do not have registration papers.

FREE DELIVERY!! FREE DELIVERY TO CENTRAL POINTS.

Introducing....

The Lazy S Red Simmental Bulls in this offering are multi-generational red and polled... solid colored or blaze face, sired by breed leaders that rank at the top of the breed for calving ease, birth weight, performance, maternal calving ease, marbling, REA and yield grade.

At Lazy S the majority of the herdsire bloodlines are exclusive to Lazy S Ranch and cannot be found elsewhere.

Lazy S Red Simmental bulls are fast becoming very popular among commercial cattlemen seeking an alternative to other breeds of cattle to strengthen performance, marbling, REA, yield grade and maternal power. Lazy S-sired red Simmental genetics will give you that extra punch and increase your gains on grass and in the feedlot.

Introducing....

At Lazy S, our Black Simmentals are multi-generational black and polled... solid with a select few blaze face. Birth weights are moderate, calves are born easy and are vigorous at birth. Herdsires are selected for superior performance and maternal traits, fleshing ability, soundness of feet and legs with solid carcass performance. Buyers looking for good black-hided calves that excel on grass and in the feedlot, that marble and yield... Black Simmentals are proven to do just that. They also work extremely well in a crossbreeding program with British-based cows, such as Angus or Hereford – daughters will have retained heterosis and added productivity.

The Lazy S Black Simmental Bulls in this offering are a tremendous set of bulls, they have great hair coats, they are strong topped with lots of rib and hip, and offer outcross genetics only found at Lazy S. There are a few two star heifer bulls, you will love the way they calve.

Introducing....

Lazy S SimAngus Beefmakers.. CROSSBREEDING MADE SIMPLE! Now more than ever, cattlemen should consider the strengths of utilizing a SimAngus bull(s) in your breeding program. Our SimAngus have demonstrated time after time their ability to add growth, extra muscle and exceptional performance, while maintaining the moderate size, maternal strength, calving ease, and superior marbling and yield grades. Crossing the best of our Red and Black Simmental with Red and Black Angus enhances maternal performance and carcass traits. Notably the largest benefit will be the superb set of look-a-like females you will be creating using this blend of genetics that offer improved reproductive efficiency obtained through heterosis (hybrid vigor) with breed complementarity.

We have created groups of bred alike half and three-quarter brothers in varying percentages, allowing our customers an excellent selection to best fit their management and marketing needs. From straight F1's to high-percentage Angus, or high percentage Simmental-influenced bulls, we have a nice selection for you to choose from... all packaged in a look-alike polled breed group.

Utilized in the heifer pen, great calving ease sire.

Introducing....

At Lazy S, our Angus genetics are selected for calving ease, performance, maternal traits and soundness of feet and legs, with an abundance of muscle, hip and top along with exceptional carcass merit that marbles and yield well. If you're needing heifer bulls, many of the sale bulls have generations of built-in calving ease top and bottom, and rank in the top 10% of the breed for BWT and CE. We have successfully calved the sires and maternal sires in our own heifer pen, so rest assured they will calve for you.

Musgrave 316 Stunner is one of the most exciting herd sires we have used. He produces calves with muscle, shape, depth of body and great growth all within a calving ease package. He ranks in the top tier for most maternal traits and is backed by a cow with tremendous udder and outstanding production record. Look to stunner to produce long lasting females.

Revolver is one of the most complete and powerful bulls we have ever owned. He sires calves with more muscle, thickness and length of body. Revolver ranks at the top of the breed for Weaning and Yearling Weight. He is impressive from every angle. His sons are high performing, deep ribbed, big scrotal bulls with lots of hair

SAV Seedstock 4838 was a \$235,000 bull at the 2015 SAV sale. His phenomenal dam, SAV Blackcap May 4136, is a major impact, multi-trait leading cow with an unprecedented production record. She generated over \$4,000,000 in progeny receipts and is the most prolific and influential cow in the history of the SAV heard. He has majestic maternal presence, is loaded with performance and is structurally superb. SAV Seedstock 4838 is powerfully built and stunning from all angles with superior soundness and herd bull authority. The Seedstock progeny are rugged and great footed. They will generate revenue!
